To whom it may concern,

As we are preparing for our upcoming 2024-2025 club season to begin in November, we are looking for new donors to help support our players and club.

Invasion Volleyball Club, Inc. is a 501(c)4 Not for Profit competitive volleyball club based in Jackson County, MO. Invasion was formed to develop interest and encourage participation in the sport of volleyball in the Kansas City area for girls 10 through 18 years of age. It is our mission to:

- Assist each athlete to reach her fullest potential both on and off the court
- Focus our instruction on all areas of skill development
- Provide a safe and inclusive learning environment to teach young women to thrive in all aspects of life

Invasion Volleyball Club, Inc. is excited to help make a difference this upcoming season and ask that you please help join us in our pursuit to support these young women.

Invasion Volleyball Club, Inc. relies on the generosity and support of our business friends, families and neighbors. 100% of the funds will support our players and facilities.

- Players Scholarships
- Equipment (Volleyballs, Net Systems, Ball Carts, Etc...)
- Gym Rentals (Apex Sports Hub, HyVee Arena, Centerline)

With your donation, you can join us in our endeavor to support young women across the metro area! On the next page you will find the sponsorship levels that are available, or you are able to donate any amount! Please join the Invasion family as we give back to our athletes in our local community.
